Preaching Christ Publicly with Courage, Compassion & Clarity!

Dear Faithful Ministry Partner,

Thank you! Thank you! Thank you!!! This summer we celebrate 1 year in the mission field of America because of God's great provision through your generous support and prayers. You've sent me to the Colleges, Abortion Clinic, Superbowl in San Francisco, Atheist Reason Rally in D.C., multiple City Events, Parades, Concerts, and we're just getting started! I am so blessed to be able to pursue God's calling and my passion because of your faithful investment in this ministry. We thank you from the bottom of our hearts and hope this update encourages you.

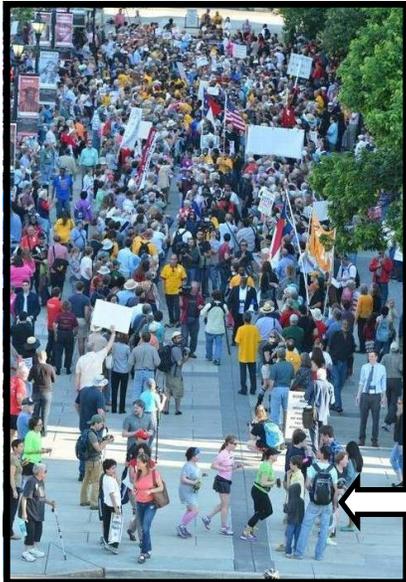

Top Picture: One day I went to preach the Gospel with a brother at the college in Chapel Hill, and little did we know that God would set us up right next to a pro-life ministry to preach Christ, defend the pro-life position, and answer questions for over 6 hours! Today's college youth desperately need God's Truth.

Above Right: Daily outside the abortion clinic volunteers work hard to shield their "customers" from listening to us, hearing about better options, and having an informed "choice" and opportunity to change their minds about abortion. It's a battle.

Left: It's an honor to be able to pray for people and watch the Holy Spirit break down walls in their hearts and barriers to the Gospel. While the Gospel is the power of God to salvation, we can never underestimate the power God releases through prayer!

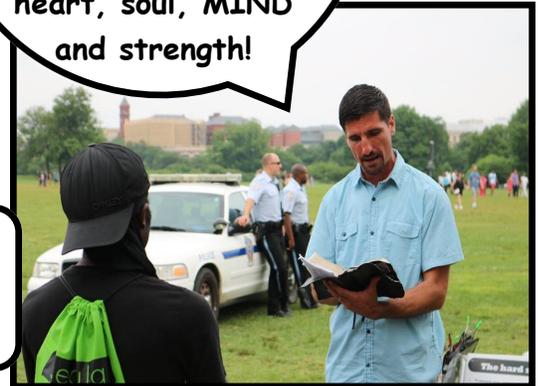

Bottom Left: Each year I preach the Gospel at the "RaleighOut" gay festival, and God always blesses it with intense hostility, lots of good questions, and captivated listeners who stick around and talk with me late into the evening. I absolutely love my "job"!

Right: Last February we ministered the Gospel at “Superbowl City” in San Francisco with a team of evangelists and reached 1,000s with the Gospel! God’s Word teaches that when one sinner repents and trusts in Jesus then all of Heaven rejoices and throws a party that I’m sure would make the Superbowl look like an ant hill at a church picnic.

Left: When I can I love to take my sons out with me to pass out tracts and minister to people. They’re learning to overcome the fear of man, handle rejection with a smile, plant the seed of the Gospel, and trust God for the increase. The picture on the left is of a political protest downtown where James and I went to pass out Gospel tracts.

It’s not a “blind faith”, it’s a MIND FAITH. Jesus says right here in Mark 12:30 we are to love God with all our heart, soul, MIND and strength!

Right: At the Atheist “Reason Rally” in Washington D.C. we lovingly & patiently “reasoned” with atheists about the overwhelming evidence in support of the Christian faith.

Please Pray for Us:

- **Fall Season:** Fruitful ministry at the campuses, clinic, in the city & within the church.
- **Family Growth:** That our home would have an atmosphere of love, grace & peace.
- **Foster Care:** We’re almost ready to receive our first foster care child under 3 years old.
- **Financial Support:** That God would provide our final 1/3 of monthly ministry support.
